Dear Parents and carers,

RE: Universal infant free school meals entitlement

You may be aware of the recent government legislation to provide a free school meal to **all** children in Reception, Year 1 and Year 2 from September 2014.

From September 2014, the government has allocated £150 million to support the universal infant free school meals entitlement.

In order to comply with the legislation and to ensure that our catering facilities are able to cope with the demand, we will need to determine how many children will be taking up this offer.

To help us with these calculations I would be grateful if you could complete and return the slip below to the school office by **Friday 18 July** to inform us whether you will be taking advantage of this entitlement.

Thank you for your co-operation and your continued support

Yours sincerely,

Mrs Samaira Nasim
Acting Head teacher

Please return to school office.
